Direct Debit Authorization Agreement

I authorize Pepco to debit automatically my bank, savings and loan or credit union checking account for the payment of Pepco bills. I have the right to suspend the transfer of funds up to five business days before the transfer date by notifying Pepco, and will then make other payment arrangements. I understand that the automatic transfer would resume the following month. Pepco reserves the right to limit participation to customers whose accounts are in good standing.

If I wish to end my participation in the Direct Debit program, I may do so at any time by notifying Pepco. My final bill amount will not be automatically transferred through Direct Debit if I close my Pepco customer account. Instead, I will receive my final bill by mail, which I can pay by the bill due date by mail or at a Pepco customer service center.
